Accessories » Planters

Linear commercial planter for defining edges, creating partitions and softening hardscapes. Ideal for terraces, streetscapes, and urban dining zones. Durable and designed for cohesive landscapes.

Description

Designed for commercial use, each planter is constructed to withstand the demands of high-traffic public spaces. They offer a durable and visually striking solution for integrating structure, scale, and biophilia into the public realm.

The Rectangle Planter provides a versatile, linear format ideal for defining edges, creating natural partitions, or softening hardscapes. Perfect for outdoor dining areas, terraces, and streetscapes, it supports a range of planting styles from low hedging to structured arrangements, offering both functionality and aesthetic refinement.

Available in 4 sizes ranging from 60” to 72” designed specifically to define long sightlines and create natural partitions.

The collection is available in the full range of Botton + Gardiner powder coat colours, allowing seamless coordination. While there is no base drainage, an optional irrigation system can be integrated to support long-term planting health in urban settings. Designed for durability and visual cohesion, these planters deliver lasting performance with minimal maintenance.
