B+G AVENUE FORM CAFÉ STOOL

Seating » Stools

A compact, robust café stool with a balanced ergonomic perch and durable Aluminum construction, designed for active outdoor and hospitality settings.

✓ **Outdoor Suitable** ✓ **Easy Install**

Description	**Avenue Form Café Stool** provides a simple, robust seating option that complements the café table and suits high activity outdoor areas. Avenue Form Café Stool continue the collection's refined design language in a more compact, social format. Defined by softened radii and a clean architectural profile, they bring cohesion to breakout zones, terraces, and hospitality settings. The rounded edge detail echoes the broader Avenue Form range, ensuring visual continuity across mixed seating environments. Designed to support informal dining and high turnover use, the café table anchors conversation while the matching stool delivers a balanced, ergonomic perch. Together, they create lightweight yet structured settings that activate edges, encourage pause, and add rhythm to outdoor spaces. Designed in Australia and manufactured in the USA, the café range is built for the demands of active public environments. Durable Aluminum construction and a considered palette of powder coat finishes ensure long term performance, resilience, and seamless integration within the wider Avenue Form collection.
How to Specify	Powder-Coat colour

Assembly & Delivery	Ships fully assembled
Fixing Detail	Fixed only. Surface fixed by others. Anchors not included.
Care Instructions	**Care + Maintenance** **Powder-coat** Regular cleaning helps protect the long-term appearance of powder-coated finishes. Wash surfaces with warm water and a non-abrasive, pH-neutral detergent, using a soft cloth or brush, then rinse thoroughly. Avoid harsh solvents, abrasive cleaners and high-pressure washing, as these may damage the coating. In coastal, marine or industrial environments, increase cleaning frequency to minimise the build-up of salts and pollutants which can accelerate weathering.
Warranty	5-year warranty. View the warranty for more details.
Customisable	As this item is made to order locally, customization is available on request
