Compact double litter bin design with hood for outdoor use. Panels in hardwood or Duraslat colors, and cut-out designs in powder-coat finishes.

## Description

Designed with Australia's most famous beach in mind, the Bondi double bin with a hood proves that litter bins can add to the aesthetics of outdoor public spaces. Its compact profile, curved corners, cut-out designs, plus a hood make it a sleek and versatile waste management option. Finishes include hardwood or Duraslat™ colors and powder-coat finishes.

## How to Specify

Select your size - double
Select your capacity - 32 gal (120L)
Select your body frame color
Select your feature panel design
Select your feature panel finish
Select your fixing type

## Sustainability

Certified Hardwood
Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Material Alternatives
We offer sustainable alternatives to hardwood, such as Duraslat™; a mineral-based composite material that contains no Volatile Organic Compounds (VOCs) and is engineered using up to 46% natural filler that is based on a renewable mineral.

Recycled Materials
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants
Our powder-coating process doesn't emit VOCs and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.
