# B+G BONDI DOUBLE LITTER BIN

Litter Bins » Double Bins

Compact double litter bin design with hood for outdoor use. Panels in 2 hardwood or 4 Duraslat colors, and cut-out designs in 17 powder-coat finishes.

**Description** Designed with Australia’s most famous beach in mind, the Bondi double bin with a hood proves that litter bins can add to the aesthetics of outdoor public spaces. Its compact profile, curved corners, cut-out designs, plus a hood make it a sleek and versatile waste management option. Finishes include 2 Australian Eucalyptus hardwood or 4 Duraslat™ colors and 17 powder-coat finishes.

**Made In** USA

**Dimensions** 48"W x 27"D x 50"H  
(1220mmW x 685mmD x 1275mmH)  
  
Hood opening: 7"H (175mmH)

**Capacity** 32 gal (120L)

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Duraslat™

#### Cleaning

Clean with mild soap and water and use a soft brush to remove any dirt build-up.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Additional Comments

Panel designs available in hardwood battens, Duraslat™ battens or powder-coated steel panels in plain or perforated cut-out designs.

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.

All 4 sides are clad in 1 material option.

Compression lock prevents door rattling.
