Collections: Manly

Litter Bins » Single Bins

Modern, round single plinth litter bin with hood for outdoors. 360° panel design in hardwood colors or cut-out designs in powder-coat finishes.

Description

The contemporary, cylindrical design of the Manly single plinth litter bin creates a minimalist aesthetic that complements the curves of modern public spaces, indoors or out. Finishes include Australian Eucalyptus hardwood battens in 2 finishes, powder-coated steel using cut-out designs or plain in colors. Manly is a versatile, eye-catching addition to public spaces that need to stand the test of time.

How to Specify

Select your size - single Select your capacity - 20 gal (80L) Select your lid and plinth color Select your panel design and finish

Select your signage type Select your fixing type

Sustainability

Certified Hardwood

Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials

We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants

Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oilina

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty

5-year warranty. View the warranty for more details.

Additional Comments

Panel designs available in hardwood battens or powder-coated steel in plain or perforated cut-out designs.

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.

Compression lock prevents door rattling.
