B+G MANLY SINGLE POST LITTER BIN

Litter Bins » Single Bins

Modern, round single post litter bin with hood for outdoors. 360° panel design in hardwood colors or cut-out designs in powder-coat finishes.

Description	The contemporary, cylindrical design of the Manly single post litter bin creates a minimalist aesthetic that complements the curves of modern public spaces, indoors or out. Finishes include Australian Eucalyptus hardwood battens in 2 finishes, powder-coated steel using cut-out designs or plain in colors. Manly is a versatile, eye-catching addition to public spaces that need to stand the test of time.
How to Specify	Select your size - single Select your capacity - 20 gal (80L) Select your lid, hood and post color Select your panel design and finish Select your signage type Select your fixing type
Sustainability	<p>Certified Hardwood Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.</p> <p>Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> <p>Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.</p>
Powder Coat	Core Signature Bold
Dimensions	<p>Hardwood + Plain Panel ø26" x 37"H (ø650mm x 990mmH)</p> <p>Perforated Panel ø26" x 37"H (ø650mm x 1000mmH)</p>
Capacity	20 gal (80L)

Care Instructions

Hardwood

Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Powder-Coat

Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty

5-year warranty. View the [warranty](#) for more details.

Additional Comments

Panel designs available in hardwood battens or powder-coated steel in plain or perforated cut-out designs.

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.

Compression lock prevents door rattling.
