Litter Bins » Single Bins

Modern, round single post litter bin with hood for outdoors. 360° panel design in hardwood colors or cut-out designs in powder-coat finishes.

**Description** The contemporary, cylindrical design of the Manly single post litter bin creates a minimalist aesthetic that complements the curves of modern public spaces, indoors or out. Finishes include Australian Eucalyptus hardwood battens in 2 finishes, powder-coated steel using cut-out designs or plain in colors. Manly is a versatile, eye-catching addition to public spaces that need to stand the test of time.

**How to Specify** Select your size - single  
Select your capacity - 20 gal (80L)  
Select your lid, hood and post color  
Select your panel design and finish  
Select your signage type  
Select your fixing type

**Sustainability** Certified Hardwood  
Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

Recycled Materials  
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

Low Pollutants  
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

**Powder Coat** Core  
Signature  
Bold

**Dimensions** Hardwood + Plain Panel  
ø26" x 37"H  
(ø650mm x 990mmH)

Perforated Panel  
ø26" x 37"H  
(ø650mm x 1000mmH)

**Capacity** 20 gal (80L)

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Warranty

5-year warranty. View the [warranty](#) for more details.

---

## Additional Comments

Panel designs available in hardwood battens or powder-coated steel in plain or perforated cut-out designs.

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.

Compression lock prevents door rattling.
