Modular seating with contrasting finishes and folded forms. Battens in 2 hardwood or 4 Duraslat™ colors and steel frame in 17 powder-coat finishes.

**Description**      Inspired by the Italian love of modern design, the Sorrento back-to-back seat is as much at home in the public spaces of Chicago as it is on boardwalks of the Mediterranean. The contrasting finishes, folded forms, and modular back-to-back seat design combine to create public spaces that draw the eye and challenge the status quo. A striking asymmetrical cut-out design on the backrest is visible from all directions adding to the unique visual aesthetics of the back-to-back seat. Finishes include battens in 2 Australian Eucalyptus hardwood or 4 Duraslat™ colors and steel frame in 17 powder-coat finishes.
