Contemporary table design. Solid, trapezoidal, hardwood battens with a sleek steel frame in zinc-primed powder-coat finishes.

**Description** The juxtaposition of solid, hardwood battens and a sleek steel frame is unified with trapezoidal design elements that add strength and visual appeal to the Terrain table. Finishes include Australian Eucalyptus hardwood and zinc-primed powder-coat colors. Terrain is a high-quality collection that adds a robust, contemporary feel to public spaces.

**How to Specify** Select your batten finish  
Select your frame finish

**Sustainability**

**Certified Hardwood**  
Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

**Recycled Materials**  
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

**Low Pollutants**  
Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

**Powder Coat** Core  
Signature  
Bold

**Dimensions** 83"W x 30"D x 29"H  
(2100mmW x 770mmD x 730mmH)

**Batten Type** Hardwood

**Frame** Powder-coated, zinc-primed steel

**Weight** 233.2lbs (106kg)

**Made In** USA

**Lead Time** 6-8 weeks

---

**Assembly & Delivery** Shipped fully assembled on pallets.

---

**Fixing Detail** Freestanding or surface fixed by others.  
Anchors not included.

---

**Care Instructions**

Hardwood  
Cleaning  
Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling  
Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Powder-Coat  
Cleaning  
Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

**Warranty** 5-year warranty. View the [warranty](#) for more details.

---

**Additional Comments** Hardwood is treated with a UV-resistant oil finish in a light or dark tone. Battens feature a trapezoidal profile.
