B+G URBAN CLASSIC BENCH

Seating » Benches

Timeless, classic bench design. Batten top in 2 hardwood or 4 Duraslat™ colors supported by an elegant cast aluminum frame in 17 powder-coat finishes.

Description Referencing Paris’ famous wrought ironwork, curved cast aluminum framing is complemented by muscular hardwood or Duraslat™ surfaces to offer a timeless Urban classic bench. Finishes include 2 Australian Eucalyptus hardwood or 4 Duraslat™ colors and 17 powder-coat finishes or a natural aluminum finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

Made In USA

How to Specify

- Select your length
 - Select your batten finish
 - Select your frame finish
 - Select your fixing type
-

Care Instructions

- Hardwood
Cleaning
Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.
- Oiling
Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.
- To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.
- Duraslat™
Cleaning
Clean with mild soap and water and use a soft brush to remove any dirt build-up.
- Powder-Coat
Cleaning
Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.
- Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.
- Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.
- Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
-

Additional Comments

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.
