Timeless, classic seat design. Batten top in hardwood or Duraslat™ supported by an elegant cast aluminum frame in powder-coat finishes.

Description	<p>Referencing Paris's famous wrought ironwork, curved cast aluminum framing is complemented by muscular hardwood or Duraslat™ surfaces to offer a timeless Urban classic seat. Finishes include hardwood or Duraslat™ and powder-coat finishes or a natural aluminum finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.</p> <p>Optional aluminum Skate Stopper available in your choice of powdercoat finishes (additional cost). Suitable for Duraslat™ batten options only.</p>

How to Specify	<p>Select your length</p> <p>Select your batten finish</p> <p>Select your frame finish</p> <p>Select your fixing type</p>
----------------	---

Sustainability	<p>Certified Hardwood</p> <p>Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.</p> <p>Material Alternatives</p> <p>We offer sustainable alternatives to hardwood, such as Duraslat™; a mineral-based composite material that contains no Volatile Organic Compounds (VOCs) and is engineered using up to 46% natural filler that is based on a renewable mineral.</p> <p>Recycled Materials</p> <p>We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> <p>Low Pollutants</p> <p>Our powder-coating process doesn't emit VOCs and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.</p>
