Timeless, classic seat design with armrests. Batten top in 2 hardwood or 4 Duraslat™ colors. Elegant cast aluminum framing in 11 powder-coat finishes.

---

## Description

Referencing Paris's famous wrought ironwork, curved cast aluminum framing is complemented by muscular hardwood or Duraslat™ surfaces to offer a timeless Urban classic seat with armrests. Finishes include 2 hardwood or 4 Duraslat™ colors and 11 powder-coat finishes or a natural aluminum finish. Urban is close to our heart; a classic, elegant, and highly functional collection that works in almost any public space.

### Bold

Sky Blue (satin), Yellow Green (satin), Pure Orange (satin), Carmine Red (satin), Zinc Yellow (satin)

---

## Sustainability

### Certified Hardwood

Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

### Material Alternatives

We offer sustainable alternatives to hardwood, such as Duraslat™; a mineral-based composite material that contains no Volatile Organic Compounds (VOCs) and is engineered using up to 46% natural filler that is based on a renewable mineral.

### Recycled Materials

We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

### Low Pollutants

Our powder-coating process doesn't emit VOCs and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

---

## Warranty

5-year warranty. View the [warranty](#) for more details.

---

## Lead Time

6-8 weeks

---

## Assembly & Delivery

Shipped fully assembled on pallets.

---

## Fixing Detail

### Urban range fixed mounting options:

Threaded rod  
Threaded rod + shims  
Offset tab

### Urban range freestanding options:

Loose footpad  
Loose glides

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Duraslat™

#### Cleaning

Clean with mild soap and water and use a soft brush to remove any dirt build-up.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Additional Comments

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.
