Accessories » Bollards

Simple bollard design combines practical function with a clean aesthetic. The steel frame is available in 17 powder-coat or galvanized finishes.

Description	The Verge bollard is simple in design and highly durable. A cylindrical steel post and a circular base plate add a functional and utilitarian feel to spaces you know are going to get their fair share of wear and tear. Light in appearance, the bollard complements and sits within many public spaces to create a protective or architectural perimeter. Finishes include a steel frame in 17 powder-coat colors or a galvanized finish.
How to Specify	Select your length Select your finish
Sustainability	Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable.  Low Pollutants Our powder-coating process doesn't emit Volatile Organic Compounds (VOCs) and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.
