Simple, durable table design. Batten top in 2 hardwood or 4 Duraslat colors with steel posts and base plates in 17 powder-coat or galvanized finishes.

Description	<p>The Verge table is simple in design and highly durable. Hardwood or Duraslat™ battens work with cylindrical steel posts and circular base plates to add a functional and utilitarian feel to spaces you know are going to get their fair share of wear and tear. Finishes include 2 Australian Eucalyptus hardwood or 4 Duraslat™ colors and 17 powder-coat finishes or a galvanized finish.</p>
How to Specify	<p>Select your length Select your batten finish Select your frame finish Select your fixing type</p>
Sustainability	<p>Certified Hardwood Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world’s largest forestry certification system.</p> <p>Material Alternatives We offer sustainable alternatives to hardwood, such as Duraslat™; a mineral-based composite material that contains no Volatile Organic Compounds (VOCs) and is engineered using up to 46% natural filler that is based on a renewable mineral.</p> <p>Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable.</p> <p>Low Pollutants Our powder-coating process doesn’t emit VOCs and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.</p>
Powder Coat	<p>Core Coreten (textured), Charcoal (satin), Silver Pearl (satin metallic), Black (satin), White (satin), Bronze (satin metallic)</p> <p>Signature Deep Ocean (satin), Wedgewood (satin), Mangrove (satin), Territory Red (matt), Claypot (satin), Paperbark (satin)</p> <p>Bold Sky Blue (satin), Yellow Green (satin), Pure Orange (satin), Carmine Red (satin), Zinc Yellow (satin)</p>

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Duraslat™

#### Cleaning

Clean with mild soap and water and use a soft brush to remove any dirt build-up.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

## Warranty

5-year warranty. View the [warranty](#) for more details.

## Additional Comments

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.
