Seating » Seats

Minimalist platform seating with half a back. Hardwood or Duraslat™ batten colors. Tapered steel frame in powder-coat or galvanized finishes.

Description	Rectangular battens and a tapered steel frame combine to deliver a minimalist seating design that takes its cues from 20th century industrial design. The functional feel and light appearance of the Avenue platform seat complement and sits within most public spaces. Finishes include hardwood or Duraslat™ colors and powder-coat finishes or a galvanized finish.
	Optional aluminum Skate Stopper available in your choice of powdercoat finishes (additional cost). Suitable for both Duraslat™ and hardwood batten options.
How to Specify	Select your batten colour Select your frame finish Select your fixing type
Sustainability	Certified Hardwood Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.
	Material Alternatives We offer sustainable alternatives to hardwood, such as Duraslat™; a mineral-based composite material that contains no Volatile Organic Compounds (VOCs) and is engineered using up to 46% natural filler that is based on a renewable mineral.
	Recycled Materials We locally source our steel. It means we know it uses recycled content and is 100% recyclable.
	Low Pollutants Our powder-coating process doesn't emit VOCs and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

Care Instructions

Hardwood
Cleaning
Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

Oiling
Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

Duraslat™
Cleaning
Clean with mild soap and water and use a soft brush to remove any dirt build-up.

Powder-Coat
Cleaning
Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

Warranty

5-year warranty. View the warranty for more details.

Additional Comments

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.
