Modern bar table with contrasting finishes, folded forms. Battens in 2 hardwood or 4 Duraslat colors and steel frame in 17 powder-coat finishes.

**Description**

Inspired by the Italian love of modern design, the Sorrento table is as much at home in the public spaces of Chicago as it is on boardwalks of the Mediterranean. The contrasting finishes, folded forms, and modular bar table design combine to create public spaces that draw the eye and challenge the status quo. The frame features a striking asymmetrical cut-out design that is visible from all directions adding to the unique visual aesthetics of the bar table. Finishes include battens in 2 Australian Eucalyptus hardwood or 4 Duraslat™ colors and steel frame in 17 powder-coat finishes.
