B+G PROSPECT SURFACE FIXED BOLLARD

Robust zinc rich primed bollard for defining perimeters and guiding movement. Ideal for streetscapes, shared zones, and commercial landscapes with minimal maintenance.

Description	The Prospect Bollard offers a simple, robust solution for defining perimeters and guiding movement in public spaces. Zinc rich primer finished with super durable powder coat, it delivers exceptional strength and long-term durability, standing up to daily wear and harsh outdoor conditions with minimal maintenance. Its clear visual presence improves safety and pedestrian flow. The bollard provides flexible installation to suit a range of environments, from streetscapes and campuses to parks and shared zones. Engineered for durability, designed for clarity, built to last.
Sustainability	We locally source our steel and aluminium. It means we know it uses recycled content and is 100% recyclable.
