B+G PROSPECT TRUSS BENCH

Backless architectural bench with Zinc rich primed truss and Duraslat™ battens. Perfect for high-traffic urban landscapes, parks and plazas.

Description	The Prospect Truss Bench brings a refined architectural presence to outdoor environments. Originating from a competition-winning design, it pairs structural ingenuity with everyday functionality through its asymmetrical galvanised steel truss base. The backless design creates a visually light yet robust form that anchors confidently into the landscape, encouraging flexible, communal seating and informal gathering in parks, campuses, and urban plazas. It's perfect for high-traffic environments. Finished with zinc rich primer and super durable powder coat, teamed with high-performance Duraslat™ composite battens, the bench delivers lasting durability and minimal maintenance, ensuring low upkeep over time. Optional powder-coat and batten colors allow the design to be easily tailored to your specific space. Refined design. Unflinching function. Endless flexibily.
How to Specify	Select Duraslat Finish Select Powder Coat Color

Care Instructions	Duraslat™ XG Simply wash down occasionally. Do not use high pressure cleaners. Powder-Coat Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Customisable	As this item is made to order locally, customization is available on request
Additional Comments	Considered design details include concealed fixings and integrated anchor points for clean lines.
