Backless architectural bench with Zinc rich primed truss and Duraslat $^{\text{\tiny{M}}}$ battens. Perfect for high-traffic urban landscapes, parks and plazas.

| Description | The Prospect Truss Bench brings a refined architectural presence to outdoor environments. Originating from a competition-winning design, it pairs structural ingenuity with everyday functionality through its asymmetrical galvanised steel truss base. |
|---------------------|---|
| | The backless design creates a visually light yet robust form that anchors confidently into the landscape, encouraging flexible, communal seating and informal gathering in parks, campuses, and urban plazas. It's perfect for high-traffic environments. |
| | Finished with zinc rich primer and super durable powder coat, teamed with high-performance Duraslat™ composite battens, the bench delivers lasting durability and minimal maintenance, ensuring low upkeep over time. Optional powder-coat and batten colors allow the design to be easily tailored to your specific space. |
| | Refined design. Unflinching function. Endless flexibily. |
