B+G PROSPECT TRUSS SEAT

Contemporary architectural seat featuring a sculptural zinc rich primed truss and Duraslat™ battens. Durable, low maintenance and ideal for urban streetscapes, parks, and campuses.

Description	The Prospect Truss Seat brings a contemporary architectural edge to public spaces. Born from a competition-winning design, its structure elegantly marries form and function. An interlaced steel truss anchors the seat while cantilevering the plane, creating a visually open, light profile that is exceptionally robust. Zinc rich primer finished with a super durable powder coat, teamed with high-performance Duraslat™ composite battens, the Prospect offers long-lasting durability with minimal maintenance, making it the ideal choice for demanding urban streetscapes, campuses, and parks. A striking design built for unflinching performance.
How to Specify	Select Duraslat Finish Select Powder Coat Color
Sustainability	We locally source our steel and aluminium. It means we know it uses recycled content and is 100% recyclable.

B+G PROSPECT TRUSS SEAT

Care Instructions	Duraslat™ XG Simply wash down occasionally. Do not use high pressure cleaners. Powder-Coat Carefully remove any loose surface deposits with a wet sponge or soft bristled brush. Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water. Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues. Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.
Warranty	5-year warranty. View the warranty for more details.
Customisable	As this item is made to order locally, customization is available on request
Additional Comments	Considered design details include concealed fixings and integrated anchor points for clean lines.
