Contemporary architectural seat featuring a sculptural zinc rich primed truss and Duraslat™ battens. Durable, low maintenance and ideal for urban streetscapes, parks, and campuses.

Description	<p>The Prospect Truss Seat brings a contemporary architectural edge to public spaces.</p> <p>Born from a competition-winning design, its structure elegantly marries form and function. An interlaced steel truss anchors the seat while cantilevering the plane, creating a visually open, light profile that is exceptionally robust.</p> <p>Zinc rich primer finished with a super durable powder coat, teamed with high-performance Duraslat™ composite battens, the Prospect offers long-lasting durability with minimal maintenance, making it the ideal choice for demanding urban streetscapes, campuses, and parks.</p> <p>A striking design built for unflinching performance.</p>
