Tables » Dining Height Tables

Architectural outdoor table with zinc rich primed truss frame and durable Duraslat™ top. ADA accessible, robust, and ideal for communal dining in parks, campuses, and public spaces.

Description	The Prospect Truss Table completes the collection, designed to pair seamlessly with the Truss Seat and Bench while carrying the same distinctive truss structure through to the tabletop. This creates a cohesive and architectural outdoor setting. The Prospect frame has a zinc rich primer and super durable powder coat. Teamed with high-performance Duraslat™ composite battens provides strength and stability, that delivers lasting durability with minimal upkeep. Its clean, understated design sits comfortably within both natural and built landscapes, making it ideal for communal dining and gathering spaces. Crucially, the table is thoughtfully designed for accessibility, meeting ADA requirements to ensure inclusive use for all.
