B+G SQUARE PLANTER

Accessories » Planters

Geometric planter with architectural appeal. Ideal for framing, anchoring or defining public spaces. Durable, low maintenance and available in bold colors.

Description

Designed for commercial use, each planter is constructed to withstand the demands of high-traffic public spaces. They offer a durable and visually striking solution for integrating structure, scale, and biophilia into the public realm.

The Square Planter offers strong geometric presence and a modern, architectural feel. It's ideal for anchoring spaces, framing entries, or creating clear spatial definition in public settings. Its clean edges pair effortlessly with surrounding furniture and built elements.

Available in 6 sizes ranging from 18" to 60" offering maximum flexibility for framing and spatial definition.

The collection is available in the full range of Botton + Gardiner powder coat colours, allowing seamless coordination. While there is no base drainage, an optional irrigation system can be integrated to support long-term planting health in urban settings. Designed for durability and visual cohesion, these planters deliver lasting performance with minimal maintenance.

How to Specify

Select Size

Choose a color from the b+g powder coat range. Planters will be finished to match the selected color.

Material

Fiberglass
