Geometric planter with architectural appeal. Ideal for framing, anchoring or defining public spaces. Durable, low maintenance and available in bold colors.

Description	<p>Designed for commercial use, each planter is constructed to withstand the demands of high-traffic public spaces. They offer a durable and visually striking solution for integrating structure, scale, and biophilia into the public realm.</p> <p>The Square Planter offers strong geometric presence and a modern, architectural feel. It's ideal for anchoring spaces, framing entries, or creating clear spatial definition in public settings. Its clean edges pair effortlessly with surrounding furniture and built elements.</p> <p>Available in 6 sizes ranging from 18" to 60" offering maximum flexibility for framing and spatial definition.</p> <p>The collection is available in the full range of Botton + Gardiner powder coat colours, allowing seamless coordination. While there is no base drainage, an optional irrigation system can be integrated to support long-term planting health in urban settings. Designed for durability and visual cohesion, these planters deliver lasting performance with minimal maintenance.</p>
