B+G BASIN PLANTER

Accessories » Planters

Rounded commercial planter with generous depth for layered plantings. Creates soft structure in courtyards, plazas, and pedestrian landscapes with lasting durability.

Description	<p>Designed for commercial use, each planter is constructed to withstand the demands of high-traffic public spaces. They offer a durable and visually striking solution for integrating structure, scale, and biophilia into the public realm.</p> <p>The Basin Planter combines generous planting depth with a soft, rounded silhouette, bringing a sense of calm and balance to urban landscapes. Its curved form works beautifully as a standalone feature or grouped in clusters to anchor seating zones, courtyards, and high-traffic pedestrian areas.</p> <p>Available in 3 sizes ranging from 28" to 44" perfect for clustering or anchoring both intimate and large public areas.</p> <p>The collection is available in the full range of Botton + Gardiner powder coat colors, allowing seamless coordination. While there is no base drainage, an optional irrigation system can be integrated to support long-term planting health in urban settings. Designed for durability and visual cohesion, these planters deliver lasting performance with minimal maintenance.</p>
How to Specify	<p>Select Size</p> <p>Choose a color from the b+g powder coat range. Planters will be finished to match the selected color.</p>
