B+G OASIS OCTAGON UMBRELLA

Oasis Octagon Umbrella - 8ft 10in

B+G OASIS OCTAGON UMBRELLA

Elegant octagonal commercial umbrella with marine-grade frame and premium canopy. Engineered for strength, longevity, and effortless operation in public spaces.

Description

The Oasis Octagon center pole manufactured by Shadowspec offers a classic, elegant aesthetic combined with uncompromising commercial strength. This model is ideal for enhancing municipal plazas, resort grounds, and large covered outdoor commercial areas. It functions as a durable sheltered outdoor product solution perfectly suited for under-awning outdoor use and centralizing semi-outdoor furniture arrangements. Constructed with marine-grade aluminium and stainless steel, the Oasis is a reliable accessory that is designed to be protected from rain, direct UV, and extreme weather.

Operational control is made simple and secure with Shadowspec patented technology, ensuring consistent, safe function for maintenance teams. Choosing the Octagon means investing in enduring design appeal and operational reliability, supported by our industry-leading 3-year frame and fabric warranty in commercial spaces.

Available with two sizes, 8’ 10” and 13’1” with your choice of post only, surface plate or steel flat plate base.

How to Specify

Select the size

Select the fabric color for the canopy

Select post only or your preferred base
